*Dual Diagnosis —
What to do in the first instance .*

Dual Diagnosis..What to do in the first instance.

Also - **Are you prepared for discussion on the following topics?**

- What's happening with Medical Cannabis in 2019?
- Are you clear about CBD Oil?
- What is the worrying evidence coming from states that have legalised cannabis?
- Are you concerned about the growing trend in crack cocaine use?
- Which tablets have become hard currency for those living with addiction?
- What harm is fentanyl causing in drug using circles?
- What are roadside drug tests unearthing?
- What about Anabolic Steroid Use?
- Have you heard of the problems associated with Loperamide?
- What about young people and their contemporary drug issues?
